Come and discover this newly renovated 2BR, 2 BA townhouse style condo highlighted by a stunning, brand-new kitchen with custom cabinetry, quartz countertops, stainless-steel farmers sink and built-in Bosch appliances. The generous island is a cook's delight and features dramatic waterfall edge countertops and an inline microwave. Designed with entertaining in mind, the open floor plan allows great flow between the kitchen, the living room with wood burning fireplace, and the dining room. Oversized sliders lead to a large and private covered deck overlooking conservation land. A gorgeous new full bath completes the main floor. Upstairs are two large bright bedrooms, both with vaulted ceilings, and the second full bath. The primary bedroom has its own private balcony overlooking the beauty of the outer Cape's natural landscape. A full basement, with interior access, offers additional storage, laundry and new 2-zone heating and cooling with Nest Thermostats. Part of a small association, this property is perfect as a year-round home or a second home with excellent rental potential. Pets are ok for owners and assigned parking for 2 cars.
